Technology Partner

# High Definition Video Surveillance Innovation

## Oil Field Monitoring Solution

## Traffic Management Solution

Traffic Management

- Exceptional Low Light Performance of **Canon** Camera
- Intelligent Video Analytics Functionality, Motion Detection, Sound Detection etc.
- Advanced PTZ tour feature makes large area surveillance under 100% covered
- Advanced Object tracking feature

- Combining Exceptional Low Light Performance and Intelligent Video Analytics feature of **Canon** Camera
- High way speed enforcement
- City traffic monitoring, Red light, Parking, Left turn, U-turn, Driving lane enforcement

## Perimeter Surveillance

- Exceptional Low Light Performance of **Canon** Camera
- Intelligent Video Analytics Functionality, Object tracking, Advanced PTZ tour surveillance
- Integrated with third perimeter fence sensor to form a completed perimeter surveillance solution
- Monitoring beyond fence, predict suspect intrusion

## Commercial Building Surveillance

- Exceptional Low Light Performance of **Canon** Camera
- Intelligent Video Analytics Functionality, Motion Detection, Cross Line Detection, Abandoned Object Detection, Sound Detection etc.
- Advanced PTZ tour feature makes large area surveillance under 100% covered
